## ABOUT CHAMPIONS

### VENUE, AUDIENCE, AND MORE!

#### ABOUT THE EVENT

An evening honoring individuals whose leadership and generosity advance Boston Arts Academy's mission to cultivate artist-scholars-citizens and expand equitable access to arts education at the city's only public high school for the performing arts.

#### AUDIENCE

We expect more than 250 supporters—including business leaders, philanthropists, parents, alumni, and community partners—to come together for this special anniversary year.

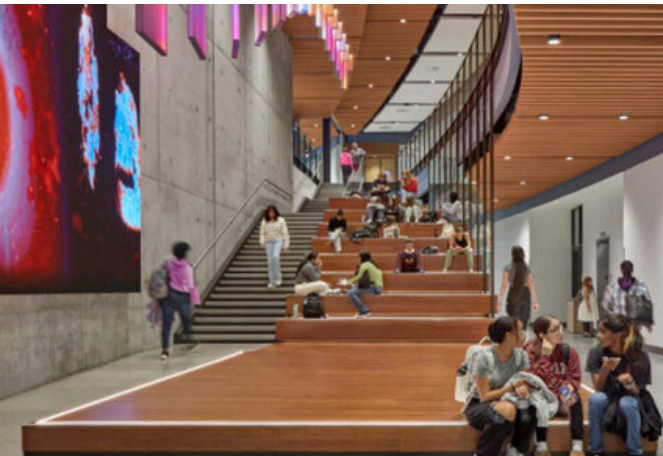

#### PROMOTION

Participating restaurants, chefs, and event sponsors will benefit from integrated print, digital, and on-site promotion. All partners will receive strong on-site visibility through signage and sampling opportunities, along with inclusion in event marketing such as recognition in the press release, social media promotion leading up to the event, visibility on the event webpage and in email communications, branding in event materials, and inclusion in post-event coverage shared with our community.

#### VENUE

Boston Arts Academy recently relocated to a brand-new, state-of-the-art building in the Fenway neighborhood, primarily funded by the City of Boston and the Commonwealth of Massachusetts. The new space features purpose-built arts and academic classrooms and a 500-seat teaching theatre, providing a vibrant backdrop for the 2026 Champion Reception.

#### VENDOR COMMITMENT

Participating restaurants and chefs are asked to provide a minimum of 250 generous tasting portions for event guests. Tastings should be hearty and representative of the restaurant's signature offerings. Vendors are responsible for bringing all necessary staffing, serving equipment, and dishware, including plates, utensils, and napkins. Each restaurant will have access to a designated table with a linen, allowing them to showcase their dishes in a professional and inviting manner.
