FUELING BOSTON'S PUBLIC PATHWAY TO THE ARTS

HONORS, the Foundation's signature fundraising event, directly fuels the experiences that define the BAA student journey including:

- Masterclasses with renowned artists
- Updated technology and equipment
- Expanded academic and college-readiness supports
- Cultural and travel opportunities
- Individualized attention students need to thrive

By supporting HONORS, sponsors directly expand access to high-quality public arts education, fueling student success and long-term opportunity

\$2 MILLION FUNDRAISING GOAL for HONORS 2026

In support of public arts education and life-changing experiences for Boston Arts Academy students.

The Boston Arts Academy Foundation (BAAF)

exists to fund the exceptional arts-intensive educational experience that distinguishes Boston Arts Academy from other public schools.

Through philanthropy, the Foundation funds arts education: student opportunity, arts innovation, wellness, college and career readiness, alumni success, and other mission-aligned priorities that enrich the educational experience and support student achievement.

500

students served each year

\$250K+

college scholarships earned

\$1.4M

invested in faculty and instructional capacity

60+

student performances and exhibitions annually

Boston's only

public high school for the visual and performing arts

2,000+ students have graduated

and gone on to become artists, entrepreneurs, educators, and leaders

The Foundation is not intended to replace public funding or assume responsibility for expenses that properly belong to Boston Public Schools, including expenses reflected in the Boston Public Schools budget. Rather, its role is to elevate, enhance, and expand opportunities in arts education beyond what public funding alone can support.

Conceived and led by President & CEO Denella J. Clark, **BAAF HONORS** is inspired by the Kennedy Center Honors and recognizes outstanding leaders across the school's arts majors—Dance, Fashion & Technology, Music, Television & Film, and Visual Arts—as well as honorees in Civic Responsibility and Lifetime Achievement.

HONORS is BAAF's signature fundraising event and the largest single source of unrestricted funding for Boston Arts Academy.

HONORS is anything but a traditional gala. It is Boston Arts Academy Foundation's signature fundraising experience — a dynamic, evening-long celebration that blends student performances, a high-energy live auction, a stellar awards program, and special guest appearances. Guests enjoy dinner, dancing, and unforgettable moments throughout the night at one of Boston's premier entertainment venues, MGM Music Hall at Fenway.

HONORS 2026 will raise \$2 million to support public arts education and life-changing opportunities for Boston Arts Academy students.

BOSTON ARTS ACADEMY SCHOOL SONG

Come Dream with Us *Music and lyrics by George Simpson*

Never climbed a mountain,
Never crossed a sea,
Never soared the open sky,
Never tried to dream.

There were many nights when
We cried ourselves to sleep
There were many moments
With many promises to keep.

And when the mountain seems too high
And when the river runs too deep
And when the moonlight's in your eyes
In your heart just believe.

Chorus

This is who we are
Tomorrow's shining star
And even the mountains bow to us
And we paint the sky.
This is what we dream
A light for all to see
We are reaching for tomorrow
Come dream with us.

Many trying moments
Many tears to hide
Loving, wishing, dreaming,
It's so hard to say goodbye.

Every time I look
I see my journey on the way
Reaching for tomorrow
A light of a brand-new day.

You will find
That no matter what you do
You will see
That love will get you through
Just believe in yourself
The whole way through.
